

BERK ULUIŞIK

INTERIOR ARCHITECTURE STUDENT | SPATIAL DESIGN & MATERIAL-DRIVEN INTERIORS

Izmir, Türkiye | +90 543 457 3559 | berkulisik@gmail.com | berkudes.com | LinkedIn

PROFILE

Interior Architecture and Environmental Design student with a growing portfolio spanning hospitality, residential, student housing, and furniture design. Develops concept-led interiors through material identity, spatial narrative, atmosphere, and buildability. Combines high-honor academic performance with hands-on furniture-production and construction-site experience.

EDUCATION

Izmir University of Economics

2022 - Expected Jun 2027

B.Sc. in Interior Architecture and Environmental Design (English-taught)

GPA: 2.50/4.00 | High Honor Certificate, Spring 2026

EXPERIENCE

Uger Engineering & Construction

Jun - Jul 2025

Interior Architecture / Construction Site Intern | Izmir

- Worked between the Bornova office and the Halk Konutları construction site in Bayraklı, gaining experience in implementation, coordination, and progress reporting.
- Observed concrete placement and sampling, scaffold and tower-crane operations, quality-control procedures, and site-safety workflows.

Gabba Furniture

Summer 2023

Furniture Production Intern | Izmir

- Gained hands-on exposure to CNC production, assembly, material processing, and furniture quality control.

SELECTED DESIGN & TECHNICAL PROJECTS

İki Deniz Arası - Winery & Restaurant

2026

Developed the concept, 1:100 plans and sections, production-kitchen detailing, lighting/material strategy, and visualizations for an Urla winery-restaurant organized around a fire-centered social core and underground chronology tunnel.

Collective Hub for Students

2026

Planned an eight-level student-housing scheme with single, double, and accessible room types, shared social zones, and a community-focused ground-floor program.

The Loft Garage Studio

2025

Designed a residential creative studio with a mezzanine, integrating living, music, automobile, and motorcycle functions through industrial materials and custom spatial elements.

NOIR Lounge Corner

Furniture Collection

An original collection bringing together the NOIR lounge/whiskey table, VERO industrial side table, and UDES industrial lounge chair in a coordinated lounge setting.

SKILLS

Design & Development: Spatial planning, concept development, material strategies, technical drawing, furniture design

Modelling & Visualization: AutoCAD, Rhino, SketchUp, Twinmotion, Enscape, Lumion, D5 Render

AI-Enhanced Design: Practical experience with AI visualization workflows, generative AI tools, prompt development, and AI-assisted coding for rapid prototyping and design communication

Communication: Photoshop, Illustrator, InDesign, Premiere Pro; presentation layouts, material and mood boards

LANGUAGES
